<p>You have been chosen as part of the best company EVER to join the Hindsight Rated community.</p> <p>Not only are you able to rate your customers but you are able to see any past history of those and new or potential customers.</p> <p>Rating Customers is a great idea for many reasons..... Choose one from below.....</p> <p>1) 5 star rated customers will come back time and time again, who doesn't like to be liked, am I right??</p> <p>2) Rated customers are far more likely to rate you back.</p> <p>3) Poorly rated customers are more likely to try to make things right as a "low customer rating" reduces their chance of having quality people work with them in the future.</p> <p>4) When a customer knows that they are held accountable for their actions, they are more likely to be respectful and hold up their side of the agreement.</p> <p>5) Other..... If you have another reason, why not let us know for the chance of winning a sensational merch.</p> <p>Follow the link below to get involved:</p>	<p>Hi Calvin,</p> <p>It's Gavin, founder of Hindsight Rated. I wanted to personally thank you and welcome you to the Hindsight Rated community.</p> <p>Where you can:</p> <ul style="list-style-type: none"> <li>● Get to know your next customer.</li> <li>● Read customer reviews from other businesses.</li> <li>● Improve their experience.</li> <li>● Build a great customer base.</li> </ul> <p>And the best part?</p> <p>You can share the love.</p> <p>Every time someone rates your business, you can send a 'thank you' note. Your appreciation will melt their hearts.</p> <p>That's how invoices get paid and repeat customers are made.</p> <p>More happy customers = more invoices paid.</p>

	<p>Ever wanted to make sure your customer keeps their end of the deal?</p> <p>That's why Gavin founded Hindsight Rated. He wanted to make sure customers were also held accountable.</p> <p>Using the app small business owners like you get to:</p> <ul style="list-style-type: none"><li>● Know your next customer.</li><li>● Read customer reviews from other businesses.</li><li>● Improve their experience.</li></ul>

- Build a great customer base.

Where would your business be in 2 months from now, if you knew your future customers?

Imagine being able to know their previous relationship with vendors and contractors.

Do they pay on time?

Are they professional?

All valid questions. And we both know you deserve to know.

Your business future cash flow depends on having reliable clients.

Get the answers you seek on Hindsight rated before hopping on a project.
